Folding Fun

Folding and making fun cards is my thing how about you? This class you will use dies and simple stamping to make quick and easy A2 unusual folded cards. My goal is to teach how to make these types of folds, not on fancy coloring and decorating, which you can do later when you make your own. We will make 5 cards including window tent, inside center stand up, z-fold pop up, open front diorama and a twisted pop-up panel cards. This is a class any level of stamper can take. You will be given directions with photo including: detailed steps to make, supplies used (manufacture for stamps, embossing folders, printed papers, and dies included), measurements for sizes and scores of all papers used, and an envelope. I will have other sample cards made with these same folds, some very simple and some more advanced on display. I will have as much scoring, stamping and die cutting done as possible for you so you can focus on the unusual folds but some coloring/decorating may need to be done at home depending on how fast you work. Background papers may vary.

Supplies to bring to class:

Scissors; bone folder; adhesives including runner, liquid, Scor-tape (or like strong product), mounting cushion (pop-dots, etc.); pencil; pin or poker to weed die cuts; dark black ink pad for stamping words; acrylic mount for stamping words; black sharpie or black marker for acetate; markers/pencils (optional but will save time) red, medium gray, dark yellow, medium pink, medium orange
