**"AGW & Inky Cards with "Extra"**

Instructor: Jackie Wamhoff (Art Gone Wild/Inky Antics)

Everybody likes to get regular stamped cards, but it's those little extras that give them a real WOW factor and make your creations even more memorable! During class, you'll create four different cards highlighting AGW and Inky's newest stamps and dies, each with an "added" feature that will delight you and your recipients: The first two are **Lift-Up Flaps** cards, with various "peekaboo" panels that flip open to show an image and/or sentiment underneath. The third is a **Square Window Shaker** card, which is super simple to make using our template stamp and a few basic supplies. The last project is a **Spinner Wheel** card, featuring a wheel that turns to reveal a special message in the viewing window.

You'll also receive complete, full-color instructions, along with a money-saving coupon good toward selected AGW and Inky products...so get ready to join us for a class jam-packed with great ideas, handy tips, and lots of fun!
